Dear Parents/Carers

**Netball Court Re-Surfacing.** The re-surfacing has now been completed and the students are already using it. The upgrade has brightened up that part of the school and will provide a quality court surface for students to play on for many years to come. We are very grateful to the P&C Association for their outstanding work in raising \$15,000 towards the cost of the work. The government allocated \$10,000 towards to the project as well.

**NAPLAN.** The Year 3 and 5 students are sitting for the annual NAPLAN tests over the next two weeks. This is the first year the tests will be taken online. We wish our students all the best. All tests will be conducted at the beginning of the school day. Below is the test schedule.

# P&C News

## **Election Day - Saturday 18th May**

Come down and vote at our school this year, grab a 'Democracy Sausage', cake and coffee. All funds go to the P&C!

We are looking for volunteers to help sizzle the sausages and sell cakes on the day. We will be there to set up from 7.30am until sell out!

We are also looking for people to bake cakes, brownies and slices to sell for \$2 (no nuts or cream please).

## **Mother's Day Stall and Raffle**

Many thanks to Jayde McIntosh and the Community team for an amazing stall and raffle this year. There were lots of excited kids picking their gifts from the stall and delighted mums on the big day. The lucky raffle winners were also thrilled with their prizes!

## **Golf Day - Sunday 26th May**

We are still taking registrations for the Annual WPS Golf Day on Sunday 26th May. Tickets are \$60 pp and include green fees and dinner. Registration forms are available from the office or please email.
