

WOODVALE
PRIMARY SCHOOL

Woodvale Words

10th June, 2019

Dear Parents/Carers

Loose Parts Play Boxes. Loose Parts Play boxes are soon to be included in the Year 2/3 play area at Woodvale Primary School. Loose parts play involves the children using their imagination to create, build and explore using a range of recycled materials. Two large boxes have been kindly donated by Jessica Stojkovski, MLA for Kingsley, to store the materials. We appreciate the help of Claire Rigoll and parents for sourcing and donating items for this project.

Japanese Day Friday 14th June. The whole school will be involved in Japanese activities this Friday. The students will be participating in a variety of Japanese related tasks in their own classrooms that have been created by Ms Black. We thank Ms Black for her organisation of this day to celebrate Japanese learning.

Interschool Sport. Our Year 4-6 students will compete in interschool matches against North Woodvale this Friday. It's a great opportunity for students to get some practice before the Lightning Carnival on June 21st.

Kindergarten Enrolments. Parents are reminded that enrolments for Kindergarten close on Friday 5th July. An enrolment form can be downloaded from our school website or contact the school office.

After School. We have cordoned off the quadrangle in an effort to help the grass grow. We would appreciate it if parents could ensure your children are supervised closely after school and that they do not run around the blocks or climb trees.

Sporting Schools. I have organised for soccer coaching to take place next term. More details will be provided later this term.

Student Councillors.

On Wednesday 30th March, the student councillors went on an excursion to the Perth Convention Centre for the GRIP Leadership Conference, in order to develop leadership skills. They taught us how to choose a good cause and ways to support it. They also discussed the core values:

- Confidence with humility
- Focussing on others
- Reliability
- Empathy

They showed us how to make a difference to our team, our school and our society. We discussed planning ideas for when we returned to school and what we were going to fundraise. We had a lot of fun, made friends and we learnt a lot. It was an amazing experience and it's something for future student councillors to look forward to!!

By Ollie, Emily and Matilda Year 6
